C2G adds its 4<sup>th</sup> MHE Maintenance contract to its portfolio

Ellsworth AFB, SD – C2G won the Material Handling Equipment Maintenance contract with the DLA Disposition Services at Ellsworth, AFB in South Dakota. The contract consists of providing Preventative Maintenance (PM) and repairs for the Material Handling Equipment (MHE) located at DLA Ellsworth AFB. The critical service C2G is providing at Ellsworth keeps their MHE fleet functioning and capable of meeting mission demands. The role of DLA to the war fighter is enhanced by C2G’s 100% in commission rate. C2G will be furnishing all labor, equipment, tools, supplies, and all peripheral items necessary to perform timely and effective PM’s. Our skilled mechanics will also provide remedial service calls for repair service whenever required.

Richard “Ken” Gilmore, Chief Operating Officer of C2G Ltd Co. said: “Even though Ellsworth AFB, SD contract is relatively small in scope and value, it is in no way less important than any of the other contracts that we have. We are excited to be providing the same type of high quality service we provide for all of the rest of our contracts.”
